Student Life

There is no reason for anyone at Hollister High School to "love, pure and chaste, from afar" as far as activities go. If the dances fail to do the trick, there are always games, clubs, and a large variety of after-school activities where students may gather to have a good time.

Student Body Officers

President David Rey

Vice-President Greg Renz

Secretary Jane Fong

Back Row: Rick Maynes, Commissioner of Athletics; Chris Michaelson, Commissioner of Sophomore Class; Kathy Tobias, Commissioner of Programs; Jeanne Corotto, Commissioner of Publicity; Ben Hudson, Commissioner of Senior Class. Front Row: Sandra Baughman, Commissioner of Interclub Relations; Cindy Byers, Commissioner of Freshmen Class; Diane Silva, Commissioner of Social Affairs, Charlene Turner, Commissioner of Junior Class; Loreen Legge, Commissioner of Finance.

Student Council

In its capacity as the guiding student organization on campus, the Student Council has made this a year of accomplishments. Its principle objective has been to return and increase the student privileges gradually lost through the years. Under the leadership of Student Body President David Rey, the Council has reached this objective through renewed guest cards and guaranteed school dance privileges. The Council worked diligently on the revision of the constitution this year and made remarkable progress. It is hoped that future councils will continue this improvement project for the betterment of all the students.

For its efforts on our behalf, the Council deserves our sincerest thanks.

The Senior Class Council, sparked by the leadership of President Bill Tiffany, has made the Class of '68 a class long to be remembered. A seemingly endless succession of projects, dances, and school activities have been sponsored by the Seniors, whose penchant for having fun is only matched by their scholastic exuberance. Congratulations S.C.C. (that's Senior Class Council) for a job well done.

L to R President Bill Tiffany; Treas. Jackie Kludt; Sgt-at-Arms Russell Ramirez; Sec. Rhonda Kuckenbaker; Council Rep. Ben Judson; Vice-Pres. Rosemarie Felice.

Class

"'69 is mighty fine" became the credo of the Juniors, President Bill Renz is quick to agree. He and the Junior class council have done a "fine" job this year, sponsoring such activities as the Junior-Senior Prom and several other dances and concession sales. They have done so well, in fact, that they almost look prepared to step into the Senior shoes of the soon-departing Class of '68.

L to R Sec. Janice Stevens; Sgt-at-Arms Bill Medeiros; Vice-Pres. Mary Bettencourt; President Bill Renz; Treas. Kathy Kennedy; Council Rep. Charlene Turner.

Leave it ot the Sophomores to turn the monotony of school into an exciting experience! President Mike Cembellin with 70's class council decided early in the year that the Sophomore Class, with its unsurpassed school spirit and world famous enthusiasm for all that is fun, should turn into the greatest Sophomore should turn into the greatest sophomore class ever. And to look at this year, they just might have done it.

L to R Council Rep. Kris Michaelson; Sgt-at-Arms Robert Perry; Treas. Cheryl Holt; President Mike Cembellin; Sec. Lois Greer; Vice-Pres. Francine Fehlman.

Councils

Another year draws to an end, and with it another freshman class becomes a part of Hollister High's history. The Class of '71 has displayed the potential to become one of the greatest ever, thanks to the leadership of President Marty Johnson and the Freshmen Class

L to R Vice-Pres. Gail Goularte; President Martin Johnson; Sec. Judy Kennedy; Sgt-at Arms Rudy Bermudes; Treas. Dyan Polanco; Council Rep. Cindy Byers.

Initiating the Freshmen into our school,
the Student Council put on the annual
Freshmen Reception.

Reigning in the Land of Lollipops were
King Gordon Tibbs and Queen Kristine
Burmester.

Gordy and Krisi led the coronation waltz
after the crowning ceremonies.

Freshman Reception

The aftergame dances were quite popular with all spirited students.

Camera-shy Balers enjoy dancing to the bands in the local vicinity.

Sophmores seem to stick together at dances as they do in spirit.

After-game Dances

The second annual Harvest Ball was presented this year by the Student Council.

Anthony and the Barons provided the music for the first semiformal dance of the year.

Harvest Ball

In the transformed gym, couples danced under the atmosphere of pumpkins and scarecrows.

The Girl's League brought the spirit of the Yuletide to Hollister High with the annual Winter Ball.

Taking a break, couples enjoy listening to the music of the Plymouth Rock Conservatory Band.

Winter Ball Royalty: Queen Kathy Murphy and King Greg Renz reign over Candy Cane Lane.

Band Capers '68

The "Warence Leik Show" was presented by the Sophomore Class this year. It brought them the first prize. Gary Goularte brought the show to life with a commercial selling Rewes Retaw (that's sewer water spelled backwards).

The Senior Class presented their version of the immortal Uncle Tom's Cabin for the 1968 BAND CAPERS. Directed by Terry Crippen and Class President Bill Tiffany, the show was a smash, especially John Alvarez as the baby.

The Sophomores idea of the Lennon Sisters (T O'Connor, J Bocanegra, P Nyland, and G Goularte) sang their rendition of "Twinkle, Twinkle Little Star".

SING OUT '68 is a very enthusiastic folk group modeled after the SING OUT MONTEREY. They were a big hit at this years BAND CAPERS. The group includes: Back row: D Silva, S Laureano, B Silva, C Heradia, S Tranburg, K French, S Schulz, K Tavares. Middle row: the Hernandez twins, B Coleman, K Huffman, R Damon, J Barrett, B Teves, R Avilla. Front row: V Raymer, M Tavares, L Laureano, L Hurst, R Smith.

Drama

How The Chimes Rang

The first presentation by the Drama Club was the Christmas play "How the Chimes Rang." It is the story of a young boy whose desire was to hear the chimes ring on Christmas Eve. While others of his family went to the Christmas Eve service, he stayed home to comfort an elderly lady who stopped by. During the evening he invisions the service with the rich people offering their material gifts. He offers his love for the Christ Child and the Chimes ring.

These two pages show the students who have put their homeroom periods plus time before school into creating the yearbook you hold before you.

This year's edition of the El Chapitel is the best ever, due in a large part to the editor's workshop that Laurie Tavares and Kathy Kennedy attended in Utah this summer. But the actual production of the book has been carried out by the students who do the picture-taking, name-sorting, page lay-outing, and the million other tasks that go into creating a yearbook of necessary superior quality.

Lynne Sheard - Our A.F.S. Student

The smiling young lady you see walking towards you is AFS student Lynn Sheard, the Republic of South Africa's one-year-loan to Hollister. All who have met her have been struck by her charm and poise, qualities that have endeared her to many hearts. Lucky, indeed, is her foster family, the Jim Gruneisens of Cienega fame, for they have had the opportunity to know Lynn as no one else can. When Lynn finally must leave us to go back home to New London, however, the Gruneisens will not be the only people in Hollister who will be saying good-bye to a friend, all of Hollister will be the worse for her loss.

Barn Dance Queen

My sister →

Peggy Alvein, 1968 Barn Dance Queen

The 1968 Barn Dance was the biggest and bestest dance of the year. It ended FFA Week with hay, saddles, prizes and apple cider. Hollister's cowgirls and cowboys donned their chaps and spurs and spent the night bunny-hopping and doing the polka to the Kennedy Western Band from Fresno.

Midnight brought to an end a month of selling, planning and most of all anxiety for four Senior girls as FFA President Peter Strohn crowned Peggy Alvein Barn Dance Queen 1968.

The best way to learn a skill is to use it on a job. This is the theory behind the carpentry classes annual house building project, in which they completely construct a small but very well built house. And the cost of their inspired handiwork is minimal, because the entire project is sold to the highest bidder at the end of the year.

M Perry and M Paterson paint the outside of the house.

Student carpenters L Vanderford, M Paterson, M Perry and R Cases put the final touches on their 1968 model home.

Bottom Row: Director Robert Setterlund, Ricky Sanchez, Anthony Andrade, Nanci Tobias, Steve Basarich, Martin Evans, Harry Tobias, Gayle Ackerman, Linda Evans, Rita Duenes, Sharon Blankenship.

Under the direction of Robert Sutterland, the band has again supplied the school with an abundance of musical entertainment. During the football season, the band put on excellent half time activities assisted by Drum Major Phil Story, Majorette Rhonda Case, and the Baler Drill Team.

The Pep Band played for the basketball games and for the rallies. The annual Christmas program was put on for the student body and the community in December. The Band also played for the Tri-County Music Festival and had a Spring Concert.

The choir is unquestionably the most vocal of all the campus' organizations. It has shown great improvement this year, performing numerous times before an enthusiastic student body and occasionally over the local radio station. To all those who gave their time to the choir, the El Chapitel expresses a sincere vote of appreciation.

While earning money for their new blazers, one of the choir's projects was a car wash.

COUNCIL--R. Kuckenbaker, Treas; T. Sonniksen, Pres; G. Rianda, V-Pres.

Perhaps you've seen them in action, slashing around with their clubs on the hockey field or throwing bone-crushing body blocks on the basketball court. Maybe you've seen them in what at first glance appeared to be a badly played game of rugby, only to discover that they were playing volleyball. But wherever you might have seen them, the Girls' Athletic Association in action is a sight never to be forgotten.

The Varsity football team rode in honor in the Homecoming Parade.

During the week, students participated in activities including the Pioneer Day.

Sports

As our mighty Baler football team charges through to the playing field, the fans cheer. But football isn't the only sport supported by the fans, there is basketball, baseball, wrestling, cross country, tennis, golf, and track. Whether we win or lose, we know that our Balers have put forth their best effort and we still have BALER SPIRIT.

Varsity Football

The fighting Baler football team, playing with a relatively young roster, gave Hollister a highly spirited season that should make every member of Hollister High proud.

The last game of the season against Palma proved that the Balers have what it takes by outplaying the "Chiefs" 13 - 7 to give Hollister its second league win.

The seniors will most certainly be missed next year, especially Paul Berglund, Francisco Torres, Greg Renz, and Lou Sgattoni, but with the many talented players young enough to play future seasons a strong varsity team seems certain to be in store.

A charged-up Junior Varsity football team has given Hollister High a season marked by a determination and desire to win that would be hard to match in any team. Such players as Phil Yuste, Manuel Leal, Tony Lopez, and Don Marcus had much to do with this season's enthusiasm, but such a spirit of team cooperation pervaded that it would be nigh unto impossible to single out any one player who stood above the rest. Congratulations on a job well done, Hayseeds!

Playing with the ferocity of a team twice its size, the Freshmen churned out an undefeated season that was only kept from total perfection by two ties. Only 34 points were scored against a tough frosh defense, while the offense turned in 214 points for the season. A great future seems assured for Hollister football with so many fine freshmen players to draw from in the coming years.

The Hayseeds had a season nothing short of tremendous this year, capturing first place in the league with a great 12-2 record. Sophomore Phil Yuste led the team in scoring, with an average of 16 points per game, and along with the rest of the JV squad should prove a valuable asset to future varsity teams.

Frosh

Back Row : Todd Marentis, Joe Herrera, Ted Casing, Gene Carillo, Gordie Tibbs, Dennis Barnes, Bill Jacinto.
Front Row : Mike Ehret, Jerry Sepulveda, Renon Porteur, Bobby Quinn, Leandro Vellalon.

The Frosh squad had its share of troubles this season, at least partially due to having to practice on the outside basketball courts. But a last place finish does not mean that future JV and Varsity teams will be short changed; the experience gained on the Frosh squad will far out-live any momentary glory.

Golf Team: A Thomas, T Churchill, B Hatton, J Freiermuth, J Low, R Ybarra, M Ehret, Coach Blevins.

If you've seen the unlikely caravan of one red Rover jeep, one 1940 metallic blue Ford, and one World War II vintage Jeep with "Baby Buggy" written on the side zooming toward Bolado with some fifteen screaming, club-swinging Balers inside, you've seen the golfers. The clubbers finished high in league standings last year, and with their several returning lettermen can be expected to do at least as well this season... unless they don't make it to the course.

The Hollister tennis team has only just begun its season at the time this goes to press, but already they look like champs. Six lettermen are returning from last year's action, in which the team took third in MTAL play and Jeff Weller captured third in the singles competition. Jeff is number one on the roster this season, leading a talented and dedicated team of racket-swingers that should do even better than last year in league action.

The Varsity Track team, struggling to out-do a sixth place finish last year, has the makings of a top league contender this season. Early in the season new school records have been set in such events as the broad jump, mile relay, 440 relay and 2 mile, and more records are expected as the season progresses.

Varsity Track

Back Row : R Cases, P Lujan, C Lopez, T Casing, T Lopez, J Arthur, A Guitterez, S Miller, J Nunes, M Francis, R Porteur, E Carrillo, S Mueller, D Lavaroni, J Silva, B Medina, J Avina, First Row : A Rabago, J Morris, J Vasquez, S Rovella, J Miranda, S Arballo, H Tobias, P Guerro, M Maheu.

The Lightweights finished last in league contention last year, but appear to be as much improved as the Varsity. Their mile relay team is at press time rated as the best in the league and among the best in the Central Coast Section. Many new events are included in both Varsity and Lightweight meets this year, including the triple jumps, mile relay and 440 relay.

The Baler Sluggers are off to a perfect start after the first league game of the season, making their win-loss record 1 and 0 at press time. The Balers are looking to improve last year's strong second place showing by becoming league champions this year, and they have the talent to do it. While only three seniors are on this season's team, five returning lettermen round out the club and make it one to watch in league contention.

J.V. Baseball

JV Baseball

The "Seeds" will have a hard time improving upon their first place finish of last year, but with one win and no losses after the season's first league game, they are well on their way to doing it.

Cross Country Team

Bottom: Al Rabago, John Marinelli, Ed Lopez, James Morris, Don Magorian, Arthur Chavez.
 Middle: Tom Sanchez, Joe Silva, Jerry Hernandez, Mike Rey, Homer Rabago, Robert Medina,
 Rick Sanchez, John Avine. Back: Phil Gurerra, Saul Garcia, Richard Rivera, Steve Miller,
 Mike Shanze, Jack Sanchez, Joe Vasquez, Mario Flores, Coach Coombes

Competing with a newly found sense of team spirit, the Cross Country squads acquired an impressive record for the season. Sparked by the inspired running of Mike Sanchez and the equally inspired coaching of John Coombes, the Varsity pulled a strong second in league action, as did the JV's in their division. The Frosh came through the season especially well, capturing first place in the freshman competition. A fine year indeed, for cross country and cross country's new coach!

To read beyond the assignment, to learn what is not required, to "reach the unreachable star"... these are the goals of a true student. But the task is eased by the imagination of our teachers and administrators and the hard work of those who maintain the machinery of education. This section, then, is a tribute not only to the students of our school, but also to all those who make our school possible.

Academics

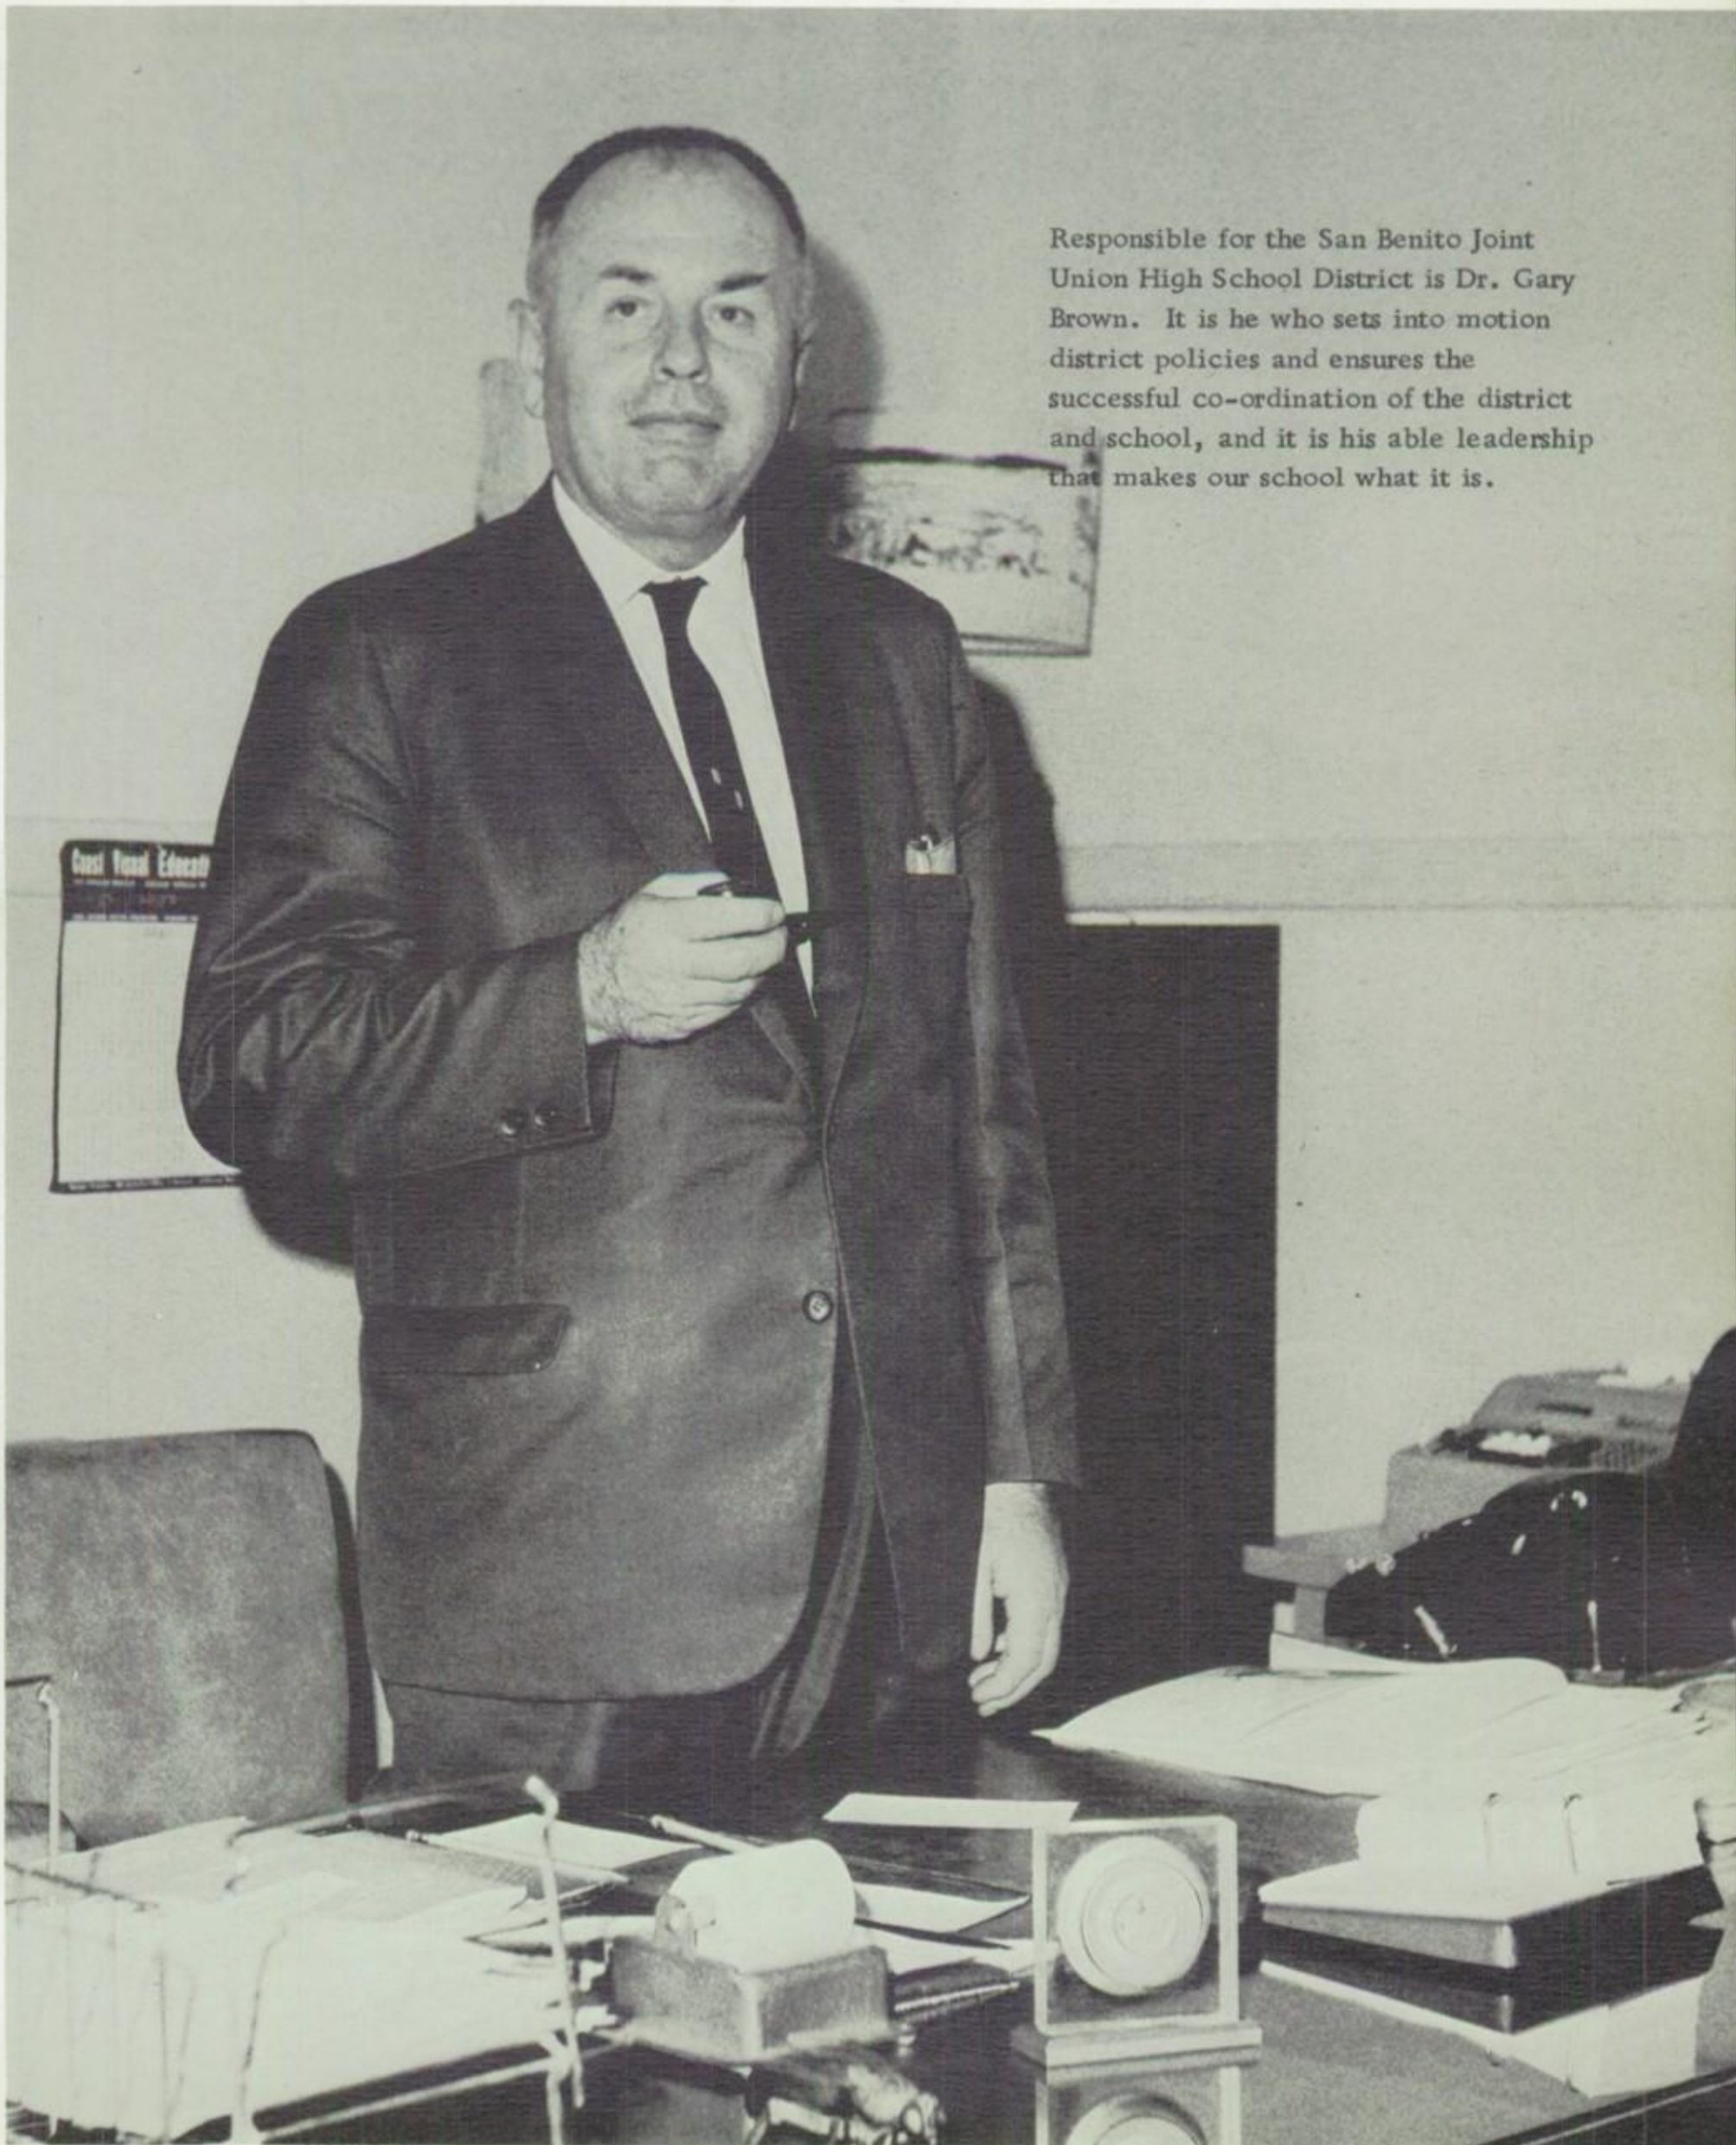

Board of Trustees

The Board of Trustees, composed of James Botelho, Dr. George Freiermuth, Don Gomes, James Breen, and President of the Board George Anderson, is the policy-making body of the district. Even as these men have displayed their talents in education, business, and citizenship, Hollister High reflects their leadership in every department.

Superintendent Dr. Gary Brown

Responsible for the San Benito Joint Union High School District is Dr. Gary Brown. It is he who sets into motion district policies and ensures the successful co-ordination of the district and school, and it is his able leadership that makes our school what it is.

Mr. Louis Picetti

Assistant Superintendent

Mr. Louis Picetti is assistant superintendent and vice-principal of Hollister High. In addition to carrying out the policies of the district, Mr. Picetti is charged with the high school's smooth running. For his execution of both of these duties, he deserves our highest praise.

Mr. Daniel DuFrane

Vice-Principal

The new administrative position created by the citizen's advisory committee has been filled most ably by Mr. Daniel DuFrane. Teacher evaluation, in-service training, and curriculum innovations are a few of the duties he is in charge of. On behalf of the student body of Hollister High, the El Chapitel staff extends a sincere welcome to Mr. DuFrane, and hopes that our school can only do as much for him as he has done for the school.

A favorite time for the 69'ers: LUNCH!!!

Do you notice anything unusual in this picture? Pretzels do not normally come as 69's. This abnormality coupled with a relaxation period might symbolize part of the Class of 69's past and present life. Are we going to let this continue? We hope not!! Let us express our opinions for the well being of the class and work together so that we will be united, but still keeping our individuality. To work and plan together should not be too hard to do if some of us forget a little pride and others gain a little courage!! Come, let us try and unite. Together we can make our Senior year a wonderful happening and memory.

Seniors

Class of '68

As the senior year rapidly draws to a grinding, flashing diploma-spewing close, many members of the Class of '68 find themselves lost in the reverie of high school memories.

Perhaps they remember with what smiling dread they looked forward to the Freshman Reception; or how our freshman float won first place in the homecoming parade; or the sudden realization as a sophomore that we're not freshmen anymore; or too big tuxedos and red corsaged chartreuse formals at the Junior-Senior Prom; or the sense of power one got from wearing that shiny new class ring for the first time.

The time is not too far off when even this, our final year in high school, will be remembered only in the hazy reaches of memory.

But the memories will be fond ones of a searching time in our lives, a search for knowledge, a search for the wisdom to use that knowledge, and a search for ourselves.

Homecoming 1967 was one of the greatest ever. Activities ranged from sucker sales to the crowning of our queen. Seniors took part in classroom teaching and pioneer days. A week of festive activities was topped off with the half time parade of winning floats and our victory over Palma. But to Seniors it was also a time of memories and tears, for Homecoming 1967 was their last during their high school years.

To a real cool
person who'll some day
design a better milkbottle.
Oh well, have lots of fun
this summer, but
don't get caught.

Patience, hard work, fortitude born of innocent courage--this and much more has gone into this volume, a monument to youth and four years of your life. With the vigilant superintendence of Mr. Byers, and the unexcelled workmanship of Mr. John Borges, our staff has labored long for your pleasure; your enjoyment is our reward.

... and though the impossible dream is yet undreamt, these pages draw to a close. In hopes that the reminiscences of 1968 are incentives to new goals, new stars, this yearbook was born. As a dedication to seniors of this and future years it will yet live on...

Dear
To a poor
little cousin of
mine. You still
have three more
years to rubber.
Good luck, you'll
need it.
